The HOSTA Group is one of Germany’s most successful family concerns. For over 65 years now, we have been devoting ourselves with specialist knowledge to producing prizewinning confectionery. This is a tradition in which we take pride. With top brands such as Nippon, Mr.Tom and ROMY, we are one of the leading manufacturers of confectionery. The highest reward for us is the great popularity of our confectionery products in the population in general.

Our exclusive use of top-quality raw materials and the high standards we demand of product quality guarantee an unmistakable and uniquely pleasurable experience. Our success has been assured by our orientation to what the customer wants and our ability to react flexibly to new opportunities and requirements.

The satisfaction of our customers and trading partners is something for which we strive every day.
